

The Art Gallery at the Rockefeller State Park Preserve presents

“Shaken Spirits Seek Comfort”

JONATHAN CUNNINGHAM

MICHAEL GARBER

Amidst the Rockefeller State Park Preserve, hoping to find meaning of life among the Preserve's flora and fauna existing in their habitats. Glorious families of birds scaling the heights over cascading waters, feeding springs & lakes. A true refuge that inspired photographers Jonathan Cunningham & Michael Garber to document moments of personal impressions.

Exhibition: August 7th – 28th, 2022
Public Reception: August 14th, 1-3PM
Gallery: 125 Phelps Way-Pleasantville, NY
